

Get #Involved is my moto

PHD in Law, Tenure professor at ESSEC Business School, Jean Monnet chair, Director of the European Centre Law and Economics www.cede-essec.fr

Counsel in public and corporate governance, lobbying, strategy, entrepreneurship, international issues. Actively involved in several think-tanks

Involved in Europe integration since 1985

Involved in gender and governance since 2011

Involved in women entrepreneurship since 2008

Chevalier du Mérite et de la Légion d'honneur

I founded the “Women Essec programmms” : Executive trainings supported by the Women’s Forum and several female networks and associations

I pursue my Academic research on corporate governance, Law and Gender, European Law but also gender empowerment and entrepreneurship.

In march 2017 , I have found « Club Generation startuppeuse » after publishing a book (« Generation startuppeuse ou la nouvelle ère -Eyrolles 2017) to support innovative startups created by women.

I am the business adviser of more than 30 projects, we are working collectively with 130 experts to help them.
